Official Press and Media Kit

Setting a standard.

Since the debut of the #AlphaDerbyWeekend™ in 2015, the Alphas of Atlanta brand is associated with excellence. With a strong presence and acclaim within city, state, region, and beyond given impressive venues (The City Club of Buckhead and the Georgia World Congress Center), their top-notch programs are more than just “can’t miss” events. To date, nearly \$250,000 has been donated by this 501c3 to support a solid range of community-focused programs across the Metro-Atlanta area, including (but not limited to) mentoring programs, leadership development, college tours, and inter-related programming.

On ***Friday, April 30, 2021***, their tradition of the upscale party with a purpose takes on an innovative take on the grand game of golf.

Welcome to the inaugural ***Alphas of Atlanta Open***.

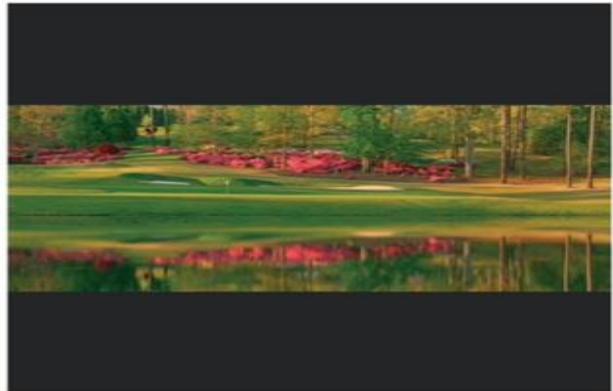

Making golf greater.

Taking place at the pristine Chapel Hills Golf Club (located at 3300 Golf Ridge Blvd in Douglasville, GA), golfers, along with those focused on a professional outdoor setting, are preparing to partake of a great event and support some equally great causes. Complete with amenities that are second to none, patrons are scheduled to enjoy the following in addition to the great 18-hole golf play (full round):

- Awards for the team with the lowest score (as well as the lowest 3 scoring teams).
- Putting and a “Closest to the pin” contest.
- Longest drive and hole-in-one contests.
- Best dressed (men’s and women’s golfers).

Join the team that keeps on winning.

Just like there's no experience like the Winner's Circle, the Alphas of Atlanta are bringing the same level of excellence with another signature event focused on supporting communities throughout Metro-Atlanta. We welcome opportunities to discuss our event with you, your business, your media outlet, and related entities.
